Dear Sir or Madam:

This letter is to acknowledge my support for the Center for Food Safety's lawsuit calling for the removal of r-BGH from the market given the human and animal health concerns. I am appalled that the FDA would jeopardize the health of human lives for money and lobbyists.

I will also try to move the market towards a healthy choice by only purchasing organic milk, cheese and yogurt and encourage everyone I know to do the same.

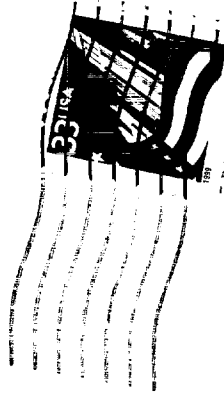

Sincerely,

Diane T. Rehor
